Test Site Information

The testing will be inside with wood flooring. There are 4 steps in the building as well as a ramp. There will be separate entry and exit doors to the testing area. Two restrooms are located outside the ORT area and may be used during testing. All dogs must be crated in your car until they are being tested, as there is no inside crating at the ORT facility. You are responsible for picking up after your dog. The parking lot is large so reactive dogs will have plenty of space. Please bring your own lunch as needed. Several sit down and fast food restaurants are within 1 mile of the facility. There is a Wawa directly across the street.

ALL DOGS MUST BE ON LEASH AT ALL TIMES.

Entry Requirements

The handler of the dog must be a current member of the NACSW™. The Dog must be registered with the NACSW™ and have a scorebook with his/her own registration number. For information on how to register or become a member go to www.NACSW.net

Entry Fee and Second Dog Policy

\$30.00 per odor per dog.

Please fill out a separate registration form for each dog and odor to be tested.
